Lab 4

CS2110 Programming

August 25, 2014

Statement

I'll keep it short.

Valgrind

Run valgrind on first 4 questions (example1.c,example2.c,example3.c,example4.c,)

Just mention in one or two sentences what is the problem with the code and does valgrind check it? (Please do not write essays, just to the point in one or two sentences).Upload a pdf as report. I will put up submission guidelines.

Debug

And debug the other 4 questions ((example5.c,example6.c,example7.c, example8.c,)! No need to write report for these questions. Just upload the 4 corrected questions. Submission guidelines will be put up.
